

Piece of Love

Lionel Richie

Oh baby, woah Time can heal a broken heart, woah, but does it really ease the mind
I know it's hard for you
Though you say you're not longing for my touch
I know it pains you much What's wrong, baby? What's on your mind?
Did you leave a piece of love behind?
What's wrong, baby? What's on your mind?
Did you leave a piece of love behind? Night begins with calls from you, woah, asking me if I'm alright
I'm really not sure, baby
I'm wondering if your love for me has gone away
Like I've heard you say What's wrong, baby? What's on your mind?
Did you leave a piece of love behind? Oh yeah
What's going on baby? What is on your mind? Woah
Did you leave a piece of love behind? It's hard to say oh, we've made mistakes
When it's not over it's best to put pride away
Two eyes should not cry the tears of regret
'Cause two lips won't let go of an age old lover's lie Oh, baby, oh What's wrong, baby? What's on your mind?
Did you leave a piece of love behind?
What's going on baby? What is on your mind? Woah
Did you leave a piece of love behind? I'd do anything for you, I'll give you all my heart
Woah, did you leave a piece of love behind?
Oh, did you leave your love behind?
