

Who's Your Daddy, Snakegirl

Combichrist

Wait!

How could this ever come to be?

The strangest illusion of all time

The head of a lovely girl and the body of an ugly snake

She is positively alive and has the most awesome story to tell

How her body transformed into an ugly snake

She has no arms, no legs, no bones in her body

Yet she will talk to you and answer all of your questions

She has traveled throughout the world

Telling her strange story to thousands of people

This is a must for the entire family

Never have you seen anything so strange

As the head of a beautiful girl and the body of an ugly snake

She is alive and moving around in the inside of this cage

This is a must for the entire family

Never have you seen anything so strange

As the head of a beautiful girl and the body of an ugly snake

This is a must for the entire family (2x)

Never have you seen anything so strange

This is a must for the entire family

Never have you seen anything so strange

As the head of a beautiful girl and the body of an ugly snake

How could this ever come to be?

The strangest illusion of all time

The head of a lovely girl and the body of an ugly snake

She is positively alive and has the most awesome story to tell

How her body transformed into an ugly snake

She has no arms, no legs, no bones in her body

Yet she will talk to you and answer all of your questions
