Invisible (Radio Edit)

D-SIDE

(Invisible, invisible)What are you doing tonight
I wish I could be a fly on your wall
Are you really alone
Still in your dreams
Why can't I bring you into my life (So tell me)
What would it take to make you see that I'm aliveIf I was invisible
Then I could just watch you in your room
If I was invisible
I'd make you mine tonight
If hearts were unbreakable
Then I can just tell you where I stand
I would be the smartest man
If I was invisible (Wait, I already am)I saw your face in the crowd
I called out your name
You don't hear a sound
I keep tracing your steps
Each move that you make
Wish I could be what goes through your mind (What goes through your mind)
Wish you could touch me with the colors of your lifeIf I was invisible
Then I could just watch you in your room
If I was invisible
I'd make you mine tonight
If hearts were unbreakable
Then I can just tell you where I stand
I would be the smartest man
If I was invisible (Wait, I already am)(Invisible, invisible, invisible)
I am nothing without you
Just a shadow passing throughIf I was invisible
Then I could just watch you in your room
If I was invisible
I'd make you mine tonight
If hearts were unbreakable
Then I can just tell you where I stand
I would be the smartest man
If I was invisible (Wait, I already am)
