

# Ain't No Need to Worry (feat. Mary Mary)

**Ruben Studdard**

Ain't no need to worrying  
What the night is gonna bring  
Because it will be all over in the morningAin't no need to worrying  
What the night is gonna bring  
Because it will be all over in the morningThere's a fear of nightfall  
When darkness comes and covers all of the day, daySometimes we feel pain  
But there are some things that we can change  
Just prayAin't no need to worrying  
What the night is gonna bring  
Because it will be all over in the morningTroubles come but they did pass  
Heartaches hurt but they don't last alwaysSometimes we feel pain  
But there are some things that we can change  
Just prayAin't no need to worrying  
What the night is gonna bring  
Because it will be all over in the morningIn the morning  
Morning  
It'll be all over in the morning  
It'll be all over in the morning  
Wave your hands and singIn the morning  
Morning  
It'll be all over in the morning  
It'll be all over in the morningIn the morning  
Morning  
It'll be all over in the morning  
It'll be all over in the morningIn the morning  
Morning  
It'll be all over in the morning  
It'll be all over in the morning
