

You Make The Rain Fall

Kevin Rudolf

You make the rain fall
'Cause you're so beautiful that it's painful.
Yeah, you told me that you were an angel.
But I already know what you came for.
You make the rain fall. Well, your eyes are so deceiving
Deadly as a loaded gun.
Your words are so misleading.
You tell me I'm the only one. And it feels so good tonight
But it get me every time.
And I-I know I'll never change my ways
But every single night I pray. You make the rain fall
'Cause you're so beautiful that it's painful.
Yeah, you told me that you were an angel.
But I already know what you came for.
You make the rain fall. Hey, this girl make the rain drop
Giving me pain in the same spot
Go in my pockets, my wallet, I got it
She gettin my dollars the same waup Umbrella's lit up on the same block
The weather keeps pouring; This dame's hot
Lil' mamma handle herself on the pole
I can throw some more fish off the same dock Clouds over my head
Thunder and lightening
She flashing for bread
She make a storm, I'm already prepared
Who do I want, 'cause I cut the checks
Shorty, she more the Jacuzzi with jets
They use a mop for this when it's wet
They stop the drizzle, I walk on the set
I got the bar, girl, I'm telling you You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall And I want you bad
So I stand in line
You tell me the lies

To keep me up all night
And I don't even know your name
But every night I pray
Yeah
You make the rain fall
You make the rain fall You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall You make the rain fall
'Cause you're so beautiful that it's painful
Yeah, you told me that you were an angel
But I already know what you came for
You make the rain fall You make the rain fall
You make the rain fall
You make the rain fall
