What Manner of Love

Watermark

Behold what manner of love
That we can be called Your children
Behold what manner of grace
That we can see Your faceUnmerited favor resting on me
Unspeakable joy setting me free
Unbelievable circumstance
You gave a second chance to meBehold what manner of love
That we can be called Your children
Behold what manner of grace
That we can see Your faceResting on Your promise, I carry no shame
Knowing in You, I will never be the same
Just to know You as Father
Is all that I'll ever really needBehold what manner of love
That we can be called Your children
Behold what manner of grace
That we can see Your faceBehold what manner of love
Behold what manner of grace
Behold what manner of love
Behold what manner of graceBehold what manner of love
That we can be called Your children
Behold what manner of grace
That we can see Your faceBehold what manner of love
That we can be called Your children
Behold what manner of grace
That we can see Your faceBehold what manner of love
That we can be called Your children
Behold what manner of grace
That we can see Your faceBehold what manner of love
Behold what manner of grace
