You and Me Against the World

Stefy

You and me in this world
They do their best to make us doubt ourselves
Separate ourselvesAnd I know that it hurts
Lay my trouble when I'm close to you
I won't lose myselfThey don't have enough
To make us tear our trustYeah, it's you and me against the world
'Cause you know that I'll always be your girl
And it's true, I believe, you and me were meant to be
Against the world, against the worldIt's the time and the place
Fate has brought us both together here
To stay forever nearThey don't have enough
To make us tear our trustYeah, yeah, yeah, it's you and me against the world
'Cause you know that I'll always be your girl
And it's true, I believe, you and me were meant to be
Against the world, against the worldIt's you and me against the world
We don't need their money, we don't need their wars
We don't need what they have anymoreYeah, it's you and me against the world
'Cause you know that I'll always be your girl
And it's true, I believe, you and me were meant to beYeah, it's you and me against the world
'Cause you know that I'll always be your girl
And it's true, I believe, you and me were meant to be
Against the world, against the worldAgainst the world, against the world
Against the world, against the world
Against the world, against the world
Against the world
