

I'll See It Through

[Colin James](#)

2, 3, 4 One of these days baby
Whatever I do, I'll prove I can
Get along without you
I don't care how much
That it hurts, I'll see it through I know my tears will fall like rain
I known her for so long
I will live in, in vain I don't care how much that it hurts
I'll see it through
I'll see it through now
One more time I will take my time
To make a brand new start
While I repair
My own broken down heart I don't care how much that it hurts
I'll see it through
I don't care how much
I don't care how much, baby I don't care how much that it hurt
I'll see it through
I'll see it through, honey
I'm not lying, I'll see it through
All me and you I don't care how much, baby
I don't care how much
I'm not jokin'
