

# Hudson River

## The Duke & The King

A woman is a female who is human,  
Designed for pleasing man, the human male.  
A human male is pleased by many women,  
And all the rest you hear is fairy tale. Then tell me how this fairy tale began, sir.

You cannot call it just a poet's trick  
Explain to me why many men are faithful  
And true to one wife only. They are sick!

A girl must be like a blossom

With honey for just one man.

A man must be like honey bee

And gather all he can.

To fly from blossom to blossom

A honey bee must be free,

But blossom must not ever fly

From bee to bee to bee.
