

Love Doesn't Frighten Me

Blondie

There's no coming, there's no going
There's no end
All this nothing is real something
It's time spent
Crying all night my tears are oceans
They come and go
Back in my eyes my love has feelings from long ago Love doesn't frighten me at all
Love doesn't frighten me at all I think you're the one who's living
And i'm dead
Doesn't matter for the moment
Is all we have Crying all night my tears are oceans
They come and go
Back in my eyes my love has feelings from long ago
