

Starships

Kidz Bop Kids

lets go to the beach each lets go get away
say, say whatch you gonna' say?
have a drink, drink have a good night,
good people like us are hard to come by
and it's a two three
I bet all my money on something not sweet
get on the floor, floor I love to dance
if you are more more then here I amStarships were meant to fly.
Hands up and touch the sky.
cant stop cause we so high
let's do this one more time
(whoohooohooohooo)
starships were
ment to fly hands up and touch the sky can't stop cause were so high let's do this one more time
