

# No Sense

## Candlebox

Feelin' fine, the fire won't burn out  
Taste the sign, the trees won't come out  
    Seein' traffic drivin' by  
Maybe you, you won't see me again  
'Cause I'm needed, needed more and more every day  
    Someone take my mind away  
    Tell me that it's time to go  
You wanna help me as I'm fallin' down  
    I don't need you  
    Lies they won't surface  
Your mind it wanders on over again  
    Someone take on my mind  
    I'm losin' you in time  
Maybe that man, he's standin' by me  
    My head won't take it all alone  
    Someone they wanna tell you  
    Maybe you would suffer  
Tell me once again, I'm under cover  
Someone wanna feel like, someone want to feel like  
    I don't need you  
    Lies they won't surface  
Your mind it wanders, ohh  
    O,h yeah  
Maybe, yeah I don't need you  
    Lies they won't surface  
My mind it wanders oh over again  
    Someone to tell you  
Should I close my eyes again once again  
Maybe someone will come and rescue me  
    Should I beg your forgiveness  
    I've fallen on my own  
    Someone take a picture  
    Put your camera away  
Someone take today, traffic passes by, never see  
    You never see it all  
    I don't need you  
    Your lies they won't surface  
Your mind it wanders oh over, again  
    Yeah, I don't need you

Your lies they won't surface  
My mind it wanders oh over again
