Plaything

Spetsnaz

New squeeze, take off your chemise
And I'll do as I please
I know I'm not any kind of heartthrob
But at the same time, I'm not any sort of slothYou're my plaything, you're my plaything
You're my plaything
Yeah, I'm wonderin', yeah, I'm wonderin'
What you're thinkin'You're my plaything, you're my plaything
You're my plaything
Yeah, I'm wonderin', yeah, I'm wonderin'
How cruel I've beenNew squeeze, unfold my body
I've ramsacked myself
I've flatpacked myself for your ease
You know that the second I saw you
I was rendered the very voyeurYou're my plaything, you're my plaything
You're my plaything
Yeah, I'm wonderin', yeah, I'm wonderin'
What you're thinkin'You're my plaything, you're my plaything
You're my plaything
Yeah, I'm wonderin', yeah, I'm wonderin'
How cruel I've beenI concur, I concur
I concur, I concur
I concur, I concur
I concur, I concur
I concur, I concur
