

Get up on It

N.O.H. Mafia

Tyrese
Sole
Bring it to 'em
Now what you like?
What you want?
Make your move
I'm feelin' lady
She gotta lotta
What I wanna
To get up on it
It's gettin' close
To the time
That I gotta
Make her mine
If you could really read my mind then
I know that she could plainly see that
Everything she ever wanted, she'd get
And everything she ever needed, I'll be that
I, I really got a thing for you
And I can't let it go
So I gotta make my move
And get up on it
I really got a thing for you
And I can't let it go
So I gotta make my move
And get up on it
Girl, you lookin'
Like you wit' it
It's okay
Come and get me
Don't be afraid, girl
I won't hurt you
All I wanna do
Is love you
If you could really read my mind then
I know that you could plainly see that
Everything you ever wanted you'd get
And everything you ever needed, I'll be that
I really got a thing for you

And I can't let it go
So I gotta make my move
And get up on it
I really got a thing for you
And I can't let it go
So I gotta make my move
And get up on it
I really got a thing for you
And I can't let it go
So I gotta make my move
And get up on it
I really got a thing for you
And I can't let it go
So I gotta make my move
And get up on it
I see why
I've got a thing for you
You make me feel so good inside
I wanna get it started
Let me get up on it, baby
Now when I rock this
Got you, wanna make me yours
The thought of me minus thong
Rocking beds and floors
Or that I stack cash
Got rhymes galore
Let a man be a man
If the motive is pure
You can bounce with me
From ship to shore
Have sex by the sea
'Til your back is sore
Sole, do things
Make you fiend for more
Not a dream, plenty things in store
What you like, huh?
I really got a thing for you
And I can't let it go
So I gotta make my move
And get up on it
I really got a thing for you
And I can't let it go
So I gotta make my move
And get up on it
But you can't get off my mind, babe
