## 50 Cent

Funk Flex  
Yeah, G-Unit  
You understand what's about to happen?  
Huh huh?  
(Do you understand?)Nigga guess who's bizzack  
It's not Beanie Sieg' or Jay-Hov'  
50 Cent y'all niggas should know  
Don't make me relapse  
Run up on your ass with the fo'  
You punk nigga I done told you beforeFuck being in a cage, man that shits for the birds  
I do my dirt in the hood, but I live in the burbs  
When you talk be careful how you choose your words  
'Cause I send niggas to put ya fuckin' brains on the curbAm I my brother's keeper? Yes I am  
Nigga you know they gettin' low you see that gun in my hand  
G-Unit, don't go fuckin' with my soldiers, boy  
Get laid out, I'ma say I told you boySee you rollin' with 20 niggas, we rolling with 20 guns  
16 hollows is loaded in every one, I know you slow, so  
I do the math that's 320 shells flyin' at your ass  
You spend a lot of time talkin' about how you ball outWhen you get hit you gonna run  
And bleed till you fall down  
I guess you didn't think  
We was down to go all outOne second, you was wrong  
You ain't on the shit we on  
My money getting long  
Now my team getting strong, I'm gone, goneNigga guess who's bizzack  
It's not Beanie Sieg' or Jay-Hov'  
50 Cent y'all niggas should know  
Don't make me relapse  
Run up on your ass with the fo'  
You punk nigga I done told you beforeNigga guess who's bizzack  
It's not Beanie Sieg' or Jay-Hov'  
50 Cent y'all niggas should know  
Don't make me relapse  
Run up on your ass with the fo'  
You punk nigga I done told you beforeAnd I'm back to act up so strap up  
Funk Flex, kingpin style  
Ya heard me, c'mon, c'mon  
Make me cut something  
Make me bust something

C'mon, c'mon, I want you to, c'mon
