Suddenly

Anna Calvi

Crawling out, you need to protect me
I'm calling out, find me a stronger handI stand on the edge of silence
Better confess, it tastes like I'm leavingSuddenly I'll leave it all behindTell your heart to jump to another
But darkness grows and oh, a never-ending nightI stand on the edge of silence
Better confess, it tastes like I'm leaving
Suddenly I'll leave it all behind
Ashes to ashes, it leaves me with nothing
I'm falling away, well, if you want it
The touch and the spell, her eyes are so wild
We stand on the edge, it tastes like I'm leaving
Suddenly I'll leave it all behind
