

Up Jump tha Boogie

Snoop Dogg

Up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGThey say, up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGSome do the things that they do cos they dumb
And some do the things that they do for crumbs
I do mine for me ya see?
Not the big homey double O-GScared to do your own work, man that's fast
And that's the reason why I had to shoot you down
Because you never should've tried to work my Dogg
And the little homey wouldn't had no reason to bumpY'all know the game ain't the same no mo'
Lil G's keep heat so big G's freeze, geez
Johnny Rockafella went to jailer
Few many times too many and became a tellerThey sell a nigga dreams if he want 'em
But they won't sell you the game to get up on 'em
Ya tryin' to find 'em cause you want 'em, they shook out
Get the book out and when the pitch come, nigga look outIt ain't hard to pump up the little homies nigga
But it's hard for your bitch ass to get wit us
But it's steel, you put it in their head
That at 13 they better off deadUp jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGThey say, up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGAiyo Snoop, why would niggas get into the bracket
And make a loot, niggas want trip
Spittin' like, 'You spoke beef from the hood'
Show me love nigga or don't show me shitFeel the fever, million dollar male like Cole Severs
Made a non-believin' man into a believer
Receive a check the next day, my homies say
It's the way to get paid", DP's and payI don't know why you wanna get on my back?
Trippin' 'cause you know the bomb's at where I'm at
Well, if that's the case you shoulda roll
With the PG instead of losing controlThis is how we do, Dogg Pound Gangstas in blue
Me, D A Z N A T E and Snoop
Niggas from Seth be tryin' to set you 'cause you settin' your ways

So ask DJ Pooh what paysUp jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGThey say, up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGJust what we need, bangin' on wax another trip
What you gon' do nigga, jack the mother ship?
You're like a actor wit another script
Predictable as Rambo wit another clipHow many niggas you gon' kill in your verse?
You need to sit down and learn to get down first
'Cause, uhh, real hoo-bangers are toast-slangers
Not part-time FBI singersNiggas havin' bad intentions, sendin' BG's on a mission
One move too many, nigga you missin'
Listen you fuck wit the cyco-lic-no
Loony ass nigga from your H double O D Niggas got too flossy from all the sex they tossin'
But guess what it cost 'em, they crossin' me
But before I give a nigga a 9
I'd rather give a nigga a mic and write him a rhymeUp jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGThey say, up jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPGUp jump tha boogie to the bang bang boogie
While you're bangin' on ya baby OG's
That's why I flip the script to the boogie bang homey
If I'm hangin' it's with DPG
