

Platoon (SpectraSoul Remix)

Jungle

Ooh brother
Ooh it's funny
How good you areI'll knock you down
Brother, please
Go tell who you
Want toUnder the rocks
Down by the beach
No, I'm not, not where you
Want meOoh brother
It's how good you areOoh brother
It's how good you areI'll knock you down
Brother, please
Go tell who you
Want toI see the snake
Down by my feet
Walk on just you
Watch meI'll knock you down
Brother, please
Go tell who you
Want toBehind my back
And the love beneath
Whispered into nothing
