

# Far from Home

## Five Finger Death Punch

Another day in this carnival of souls  
Another nights ends, end as quickly as it goes  
The memories are shadows; ink on the page  
And I can't seem to find my way homeAnd it's almost like  
    Your heaven's trying everything  
    Your heaven's trying everything  
To keep me outAll the places I've been and things I've seen  
    A million stories that made up a million shattered dreams  
    The faces of people I'll never see again  
And I can't seem to find my way homeCause it's almost like  
    Your heaven's trying everything  
    To break me down  
    Cause it's almost like  
    Your heaven's trying everything  
To keep me outCause it's almost like  
    Your heaven's trying everything  
    To break me down  
    Cause it's almost like  
    Your heaven's trying everything  
    Your heaven's trying everything  
    To break me down  
To break me downTo break me down  
    Your heavens trying everything  
    Your heavens trying everything  
    To break me, down
