Warm Summer Night

The Isley Brothers

[Foreing content](Papi)
Could you love me, tonight?
On a warm summer's night?
It would be so nice, tonight
(Together)(Papi)
Could you love me, tonight?
On a warm summer's night
It would be so niceGirl, do you know who you're steppin' to?
Do you know the things I can do for you?
I'm Mr. Biggs, I'll keep you jiggs
Give you cash, money, rubys, emeralds, diamonds, honeyIn a minute, I'll be in it
Hit it from the top, from the bottom, from the side
Open wide, let me slide
You can run but baby, you can't hide(Papi)
Could you love me, tonight?
On a warm summer's night
It would be so nice, tonight
(Together)(Papi)
Could you love me?
(Baby could you love me?)
Tonight, on a warm summer's night?
It would be so niceThis is where you oughtta be
Lying here touchin' you, you're strokin' me
Keep it hot, show me what you got
Just like that, hit it back to back
(From the back)In a minute I'll be in it
On the bed, on the couch, on the chair
On the floor, everywhere
Open up and I'll go there, yeah(Papi)
Could you love me
(Yeah)
Tonight? On a warm summer's night
(On a warm summer night)It would be, so nice
(Oh yeah, yeah)
So nice
(So nice)
Tonight
(On a warm summer night)
(Together)Could you love me

(Papi)Baby, I'm beggin', baby, I'm beggin', beggin', baby
(Papi)
My body's calling for you, yeah
Baby, I'm beggin' baby, I'm beggin', beggin' baby
(Papi)
My body's calling for you, yeah(Papi)
Could you love me, tonight
(Tonight, tonight)
On a warm summer's night
It would be so nice
(So nice)
Tonight
(Tonight)
(Together)(Papi)
Could you love me
(Baby, could you love me?)
Tonight?
On a warm summer's night
