# Here And Now

## Luther Vandross

When I look in your eyes and there I see
Just what you mean to me
Here in my heart I believe
Your love is all I'll ever need
Holdin' you close through the night
I need you, yeah
I look in your eyes and there I see
What happiness really means
The love that we share makes life so sweet
Together we'll always be
This pledge of love feels so right
And, oh, I need you, yeah
Here and now
I promise to love faithfully
You're all I need
Here and now
I vow to be one with thee, hey
Your love is all I need
Say, yeah
When I look in your eyes, there I'll see
All that a love should really be
And I need you more and more each day
Nothin' can take your love away
More than I dare to dream
I need you
Here and now
I promise to love faithfully
You're all I need
Here and now
I vow to be one with thee, yeah
Your love is all I need
Starting here, oh, and I'm starting now
I believe in love, I believe
Starting here, I'm starting right here
Starting now, right now because I believe in your love
So I'm glad to take the vow
Here and now, oh
I promise to love faithfully
You're all I need

Here and now, yeah
I vow to be one with thee, yeah
Your love is all I need
I, I, love is all I need
Love is all I need
Yeah, yeah, yeah, yeah
Hey, yeah
Hey, yeah
