

# Last Kiss

Taylor Swift

I still remember the look on your face  
Been through the darkness at 1:58  
The words that you whispered for just us to know  
You told me you loved me so why did you go away, go away  
I do recall now the smell of the rain  
Fresh on the pavement, I ran off the plane  
That July 9th the beat of your heart  
It jumps through your shirt, I can still feel your arms  
But now I'll go sit on the floor wearing your clothes  
All that I know is I don't know  
How to be something you miss  
Never thought we'd have a last kiss  
Never imagined we'd end like this  
Your name, forever the name on my lips  
I do remember the swing of your step  
The life of the party, you're showing off again  
And I roll my eyes and then you pulled me in  
I'm not much for dancing but for you did  
Because I loved your handshake, meeting my father  
I love how you walk with your hands in your pockets  
How you'd kiss me when I was in the middle of saying something  
There's not a day I don't miss those rude interruptions  
And I'll go, sit on the floor wearing your clothes  
All that I know is I don't know  
How to be something you miss  
Never thought we'd have a last kiss  
Never imagined we'd end like this  
Your name, forever the name on my lips, ohh  
So I'll watch your life in pictures like I used to watch you sleep  
And I'll feel you forget me like I use to feel you breathe  
And I'll keep up with our old friends just to ask them how you are  
Hope it's nice where you are  
And I hope the sun shines and it's a beautiful day  
And something reminds you, you wish you had stayed  
We can plan for a change in weather and time  
I never planned on you changing your mind  
So, I'll go, sit on the floor wearing your clothes  
All that I know is I don't know  
How to be something you miss

I never thought we'd ever last kiss  
Never imagined we'd end like this  
Your name, forever the name on my lips  
Just like our last kiss, forever the name on my lips  
Forever the name on my lips, just like our last
