# The Perfect Day

## Fischer-Z

Young man gemini lots of sensitivity
Seeks the girl of his dreams sure that eternally
Far too long to wait for the perfect day
Far too long to wait for the perfect day
Young girl, 17, who knows what she could have been
Needs a flat urgently for her child, eternity's
Far too long to wait for the perfect day
Far too long to wait for the perfect day
Something I know, something I know
Please don't tell me something I know
I open my mouth, I try to speak
You come for a day and you stay for a weekGentle businessman searching for his peter pan
Nice house by the park, wrestles with an aching heart
Far too long lo wait for the perfect day
Far too long to wait for the perfect daySomething I know, something I know
Please don't tell me something I know
I open my mouth I try to speak
You come for a day and stay for a week
Young mum stuck at home waiting by the telephone
Desperate needs a rest, knows that forever is
Far too long to wait for the perfect day
Far too long to wait for the perfect daySomething I know, something I know
Please don't tell me something I know
I open my mouth I try lo speak
You come for a day and stay for a week
