Don't Make Me Wait Too Long

Barry White

Baby, it's really amazing what I go through without you
You know sometimes I find myself counting
Counting the hours, the minutes, the seconds, the moments
Darling, please don't make me wait too long
I wanna love you, baby
Can't you see it's only you I want
And you I need?
Please don't make me wait too long
I wanna love you, baby
Can't you see it's only you I want
And you I need?
When I'm away from you
Seems like forever, yeah
Girl, if you only knew
What I go through without you
But knowing in a moment I'll
I'll see that face and see your smile
(Give it here)
I turn the key
(Give it here)
Open up the door
(Give it here
Girl, there you are, I can't take much more
Darling, please don't make me wait too long
I wanna love you, baby
Can't you see it's only you I want
And you I need?
Please don't make me wait too long
I wanna love you, baby
Can't you see it's only you I want
You I need?
You're in my arms again
And Heaven is waiting
Oh, one more kiss and then
And I'll be again, I'll be man again
Hey, can you feel inside?
Help me please and soul satisfied
(Give it here)
No friends tonight

(Give it here)
And no phone calls
(Give it here)
You got what I want [Incomprehensible]
Darling, please don't make me wait too long
I wanna love you, baby
Can't you see it's only you I want
And you I need?
Please don't make me wait too long
I wanna love you, baby
Can't you see it's only you I want
And you I need?
Please don't make me wait too long, too long
It's only you I want, I want
Don't make me wait too long, too long
