Answered Prayer

ABC

Every problem has solutions
Look inside your heart, see what you might find
You can draw your own conclusions
There's summer in your soul, winter in your mindI love, I love, I love, I love you
I need, I need, I need you there
I love, I love, I love, I love you
Let me be your answered prayer
(Answer my, answer my, answer my prayer)Answered prayer
(Answer my, answer my, answer my prayer)
Don't cry, tears dry
Answered prayer
(Answer my, answer my, answer my prayer)Unhappy for a long time
A subtle shade of blue, indigo, that's you
You say that love's so hard to find
It just eluded you, I've been eluded, tooI love, I love, I love, I love you
I need, I need, I need you there
I've got to, got to, got to have you
Let me be your answered prayer
(Answer my, answer my, answer my prayer)Answered prayer
(Answer my, answer my, answer my prayer)
Don't cry, tears dry
Answered prayer(Answer my, answer my, answer my prayer)
Don't cry, tears dry
(Answer my, answer my, answer my prayer)
(Answer my, answer my, answer my prayer)Open up your mind, open up your heart
Unlock your dreams, unchain desire
Open up your arms, open up your eyes
Answer my prayerTruth be told, word to the wise
Open your heart, babe, open your eyes
Unlock your dreams, unchain desire
Answer my prayer, answer my prayerAnswer my prayer, yeah, prayer
Answer my, answer my, answer my prayer
All I want you to do, all I want to do
Is to answer my prayer, answer baby
(Answer my, answer my, answer my prayer)
Now give me answer, give me an answer, give me an answer
