United we Stand

Reduction

There's nowhere in the world that
I would rather be than with you my love
And there's nothing in the world that
I would rather see than your smile my loveFor united we stand, divided we fall
And if our backs should ever be against the wall
We'll be together, together, you and IFor united we stand, divided we fall
And if our backs should ever be against the wall
We'll be together, together, you and IAnd if the world about you falls apart
My love, then I'll still be here
And if the going gets too hard along
The way, just you call, I'll hear
