

# Brutally Deceased (Demo 3, 1989)

## Grave

I want to die a brutal way  
Instead of just fade away Shredded flesh mutilated  
Severed head decapitated Ripped and torn piece by piece  
Rape my corpse then leave me in peace Shredded flesh mutilated  
Severed head decapitated I want to die  
Brutally deceased brutally deceased To die in sickness to suffer 'til death  
Fulfill my wishes lay me to rest I want to die a brutal way  
Instead of just fade away Shredded flesh mutilated  
Severed head decapitated Brutally deceased brutally deceased
