

Stars Fell On Alabama

[Jimmy Buffett](#)

Moonlight and magnolias, starlight in your hair
All the world, a dream come true
Did it really happen, was I really there?
Was I really there with you? We lived our little drama, we kissed in a field of white
And stars fell on Alabama that night
I can't forget the glamor, your eyes held a tender light
And stars fell on Alabama last night I never planned in my imagination, a situation so heavenly
A fairy land that no one else could enter
And in the center, just you and me, dear My heart beat like a hammer
My arms wound around you tight
And stars fell on Alabama last night Alright, let's take it on down from Muscle Shoals through Decatur
Mmm, Birmingham, ooh, Montgomery
Right up over Spanish Fort into Mobile, my hometown
Mister TI never planned in my imagination, a situation so heavenly
A fairy land that no one else could enter
And in the center, just you and me, dear My heart beats like a hammer
My arms wound around you tight
Ah, stars fell on Alabama last night One more time, boys Yes, we lived our little drama
We kissed on the dunes so white
And stars fell on Alabama last night
