

Crazy (Eddie Baez Coo Coo club mix)

[Alanis Morissette](#)

In a church, by the face,
He talks about the people going under. Only child know
A man decides after seventy years,
That what he goes there for, is to unlock the door.
While those around him criticize and sleep
And through a fractal on a breaking wall,
I see you, my friend, and touch your face again.
Miracles will happen as we trip. But we're never gonna survive, unless
We get a little crazy
No we're never gonna survive, unless
We are a little Crazy yellow people walking through my head.
One of them's got a gun, to shoot the other one.
And yet together they were friends at school
Oh, get it, get it, get it, get it no no! If all were there when we first took the pill,
Then maybe, then maybe, then maybe, then maybe
Miracles will happen as we speak. But we're never gonna survive unless
We get a little crazy.
No we're never gonna survive unless
We are a little
Crazy
No no, never survive, unless we get a little bit In a sky full of people, only some want to fly,
Isn't that crazy? In a world full of people, only some want to fly,
Isn't that crazy? Crazy In a heaven of people there's only some want to fly,
Ain't that crazy? Oh babe Oh darlin' In a world full of people there's only some want to fly,
Ain't that crazy?
Crazy crazy crazy Oh
But we're never gonna survive unless, we get a little crazy
No we're never gonna to survive unless we are a little crazy
But we're never gonna survive unless, we get a little crazy
No we're never gonna to survive unless, we are a little crazy
No no, never survive unless, we get a little bit And then you see things
The size of which you've never known before They'll break it Someday Only child know. Them things
The size of which you've never known before Someday
Someway
