

# Obsolete

## NT

Nothing is the way it seems  
Discernin' man from machines  
    Dominate as to erase  
    Wipin' man off earth's face  
    Fueling engines through deceit  
    To eradicate humanity  
    Man is obsolete  
    Erased, extinct  
Nothing is the way it seems  
Discernin' man from machines  
    Dominate as to erase  
    Wiping man off earth's face  
Now, defaced by all inept justice  
    Shamed by the mental abuses  
    Branded inferior weakness  
Ordered to cease and to desist  
    Man is obsolete  
    Our world, obsolete  
    Man is obsolete  
    Erased, extinct  
    Obsolete, obsolete  
    Obsolete, obsolete  
Fueling engines through deceit  
    Eradicate humanity  
    Defaced by all inept justice  
    Shamed by the mental abuses  
    Branded inferior weakness  
Ordered to cease and to desist  
    Man is obsolete  
    Our world, obsolete  
    Man is obsolete  
    Erased, extinct  
    Man is obsolete  
    Our world, obsolete  
    Man is obsolete  
    Erased, extinct  
    Obsolete, obsolete  
    Obsolete, obsolete  
    Man is obsolete

Man is obsolete

Man is obsolete

Man is obsolete
