Something New (Remix)

Professional Murder Music

When you look into these eyes do you think anything could stop me?
Regrets will come from deep inside and push me so close to the edge.
No I won't be apart of that mindless shit.
I'm in this for real. I see everything I want.
I see everything I want.
Chasing me through my dreams and it just will not end.
Found a way to this day and there's no turning back.
Could it be all I've seen is just a joke that they've played?
So I am turning to something new.
I don't think I'll ever forget you and the things that were promised.
There is so much more without those fears I threw away last time.
No, I won't be apart of that mindless shit.
I'm in this for real. I see everything I want.
I see everything I want.
Chasing me through my dreams and it just will not end.
Found a way to this day and there's no turning back.
Could it be all I've seen is just a joke that they've played?
So I am turning to something new.
