

# Last Night Ever (Thugli Remix)

## Yellow Claw & LNY TNZ

We don't give a fuck about tomorrow  
We don't really care about the day after  
Only care about is tonight  
Tonight is the last night ever  
We don't give a fuck about tomorrow  
We don't really care about the day after  
Only care about is tonight  
Tonight is the last night ever
