Don't Settle For Less

Pretty Maids

Watch you like an outer satellite
Watch every move you make
You got me running, electrified
I've got a feeling, a feeling so strongCan't miss with this emotion
Can't fail to satisfy
I'll sail the stormy oceans
To let our hearts collideToo much, too fast
I'm in and out of trouble
Days have gone, nights have past
But your heart is mine at lastWant your love, need your love
Honey, I don't settle for less
'Cause your love is enough to satisfy meHey you!
Always focussed on your precious heart
Felt every aim was true
You were the target right from the start
Since you came walking out of the blueToo much, too fast
I'm in and out of trouble
Days have gone, nights have past
But your heart is mine at last[Chorus]Need you a little closer
Got to have you near me
Need your love so bad[Chorus]
