Intro: Soulfully Yours, Charlene

Tweet

Ooh, ooh
I am soulfully yours
And I can't be noone other than
Soulfully, yeah (fully, fully, fully)
I am soulfully yours
Yeah
I can't be noone other than
Soulfully, yeah (fully, fully, fully)
I can't be noone other than
Soulfully, yeah (fully, fully, fully)
I gotta be myself
Soulfully, yeah (fully, fully, fully)
Yeah
Be nobody else but soulfully
