

# On My Mind

**Kurt Nilsen**

Take a look at yourself you give me goose bumps through my spine.

And I focus on what's important because of you.

And when you smile to me I can not breathe

And I end up laughing with you

Not knowing what the joke was about You're on my mind

On my mind

You're on my mind

All the time Have you ever considered not being so friendly to me anymore?

Just let go for a while

When you try to be someone else

I end up laughing with you,

But I know you all to good You're on my mind

On my mind

You're on my mind

All the time You're on my mind

On my mind

You're on my mind

All the time Tell me stories that I want to hear

Whisper in my ears so words won't ? You're on my mind

On my mind

You're on my mind

All the time You're on my mind

On my mind

You're on my mind

All the time
