

# A Night To Remember

[kubby](#)

Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh, baby, tonight  
Gonna make this a night to remember  
When you love someone, it's natural, not demanding  
And that's one thing I'm proud to say I've found in you  
I'm so glad we've reached an understanding  
Now I know my heart is safe with you  
So now my love to you, baby, I surrender  
Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh, baby, tonight  
Gonna make this a night to remember  
Celebrations in the heart 'cause we're united  
And there's nothing in the world could come between me and you  
We're together and it keeps me so excited  
To think of what the power of love can do  
And I'm filled with a love that's, oh so tender, yeah  
Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh, baby, tonight  
Gonna make this a night to remember  
Yeah, get ready, get ready 'cause we're gonna have some fun  
Get ready, get ready 'cause you're with the 911  
Gonna take this, break this, then we're gonna make this  
A night to remember 'cause, baby, I surrender  
Celebration, toast the occasion  
Talking about love and true dedication  
The hand of love that's, oh so tender  
Is gonna give you a night to remember  
Let's make a toast to those who've helped make this occasion  
They turn their back on love  
And that's what drove you straight to me  
To you, I make a lasting dedication  
I'll show you all the love and life can be  
And each day that I live I will deliver, yeah  
Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh, baby, tonight

Gonna make this a night to remember  
Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh, baby, tonight  
Gonna make this a night to remember  
Get ready, tonight  
Gonna make this a night to remember  
Get ready, oh, baby, tonight  
Gonna make this a night to remember  
...
