What Gets You Off?

Jack's Mannequin

It was last night
In an empty warehouse party
Oh, oh, oh, oh, oh, oh
And there in the black light
I could see the tattoos glowing on your body
Well, oh, oh, oh, oh
Oh, oh, oh, oh
She says to meet her there
Beside the power station
Oh, oh, oh, oh, oh, oh
And she said she'd let me stare
If the chemicals don't keep her waiting
Well, oh, oh, oh, oh
Whoa, oh, oh, oh
Well, I'm always coming down from
The night before where I left you
Yeah, I'm always coming down
But I'm doing my best to get caught
Yeah, I'm always coming down from
The night before when I met you
To hear that gets you off
What gets you off, what gets you off
Red fingernail polish
Peeling like a sunburn
Oh, oh, oh, oh, oh, oh
That black designer dress
Looks better underneath our feet
Your knees on the dirt
Oh, oh, oh, oh

Oh, oh, oh, oh, oh
Well, I'm always coming down from
The night before where I left you
Yeah, I'm always coming down
But I'm doing my best to get caught
Yeah, I'm always coming down from
The night before when I bet you
To hear that gets you off
What gets you off, what gets you off

Yeah, what gets you off
Oh, oh, oh, oh
Oh, oh, oh, yeah
Well, I'm always coming down from
The night before where I left you
Yeah, I'm always coming down
But I'm doing my best to get caught
Yeah, we're always coming down from
The night before when I bet you
To hear that gets you off
What gets you off, what gets you off
What gets you off
Oh, oh, oh, oh
What gets you off
Oh, oh, oh, oh
What gets you off
Oh, oh, oh, oh
What gets you off
Oh, oh, oh, oh
