Verse 1:

Filsafat berkata: jika takdir itu ada, kenapa harus berdoa?

Malaikat berkata: jika takdirmu di neraka, apa kamu terima?

Tuhan berkata: berdoalah, niscaya akan aku kabulkan, semua akan berjalan sesuai doamu.

Pre-Chorus:

(Uuuuuuuuuuuuuuu) (uuuuuuuuuuuuuu)

Chorus:

Philosophy says: if fate exists, why should we pray?

Angels ask: if your fate is in hell, would you accept it?

God says: 'Call upon Me; I will respond to you; everything will happen according to your prayer.
