

Dumb Blonde

Dolly Parton

Don't try to cry your way out of this
Don't try to lie or I'll catch you in it
Don't try to make me feel sorry for you
Just because I'm blond
Don't think I'm dumb
'Cause this dumb blond ain't nobody's fool When you left you thought I'd sit
An' you thought I'd wait
An' you thought I'd cry
You called me a dumb blond
Ah, but somehow I lived through it
And you know if there's one thing this blond has learned
Blonds have more fun You flew too high up off the ground
It's stormy weather an' had to come back down
But I've found a new thread for my old spool
Just because I'm blond
Don't think I'm dumb
'Cause this dumb blond ain't nobody's fool When you left you thought I'd sit
An' you thought I'd wait
An' you thought I'd cry
You called me a dumb blond
Ah, but somehow I lived through it
And you know if there's one thing this blond has learned
Blonds have more fun
