I'm the One Who Loves You

The Impressions

I'm the one who loves you
I'm the one who loves youLittle girl again you are blue
Another fellow has gone and left you
I see you've come back to me your best friend
To tell another tragic story againAnd once more you look in my eyes
And one more time you ought to realizeThat I'm the one who loves you
I'm the one who loves you, love meI'm the one who loves you
I'm the one who loves youI must confess, you're not to be blamed
For being caught in those boys vicious games
This time I won't let you go back
Never again, my dear, in factI'm going to stop the blueness in you
Also confess what my heart wants me toThat I'm the one who loves you
I'm the one who loves you, love meI'm the one who loves you
I'm the one who loves youJust once more you look in my eyes
And one more time you ought to realizeThat I'm the one who loves you
I'm the one who loves you, love meI'm the one who loves you
I'm the one who loves you
I'm the one who loves you
