## **Don't You Need Somebody**

## **RedOne**

Salute

It's Red One

(R. City)

It's Mister Lover yeah

(Na, na, na, na

Ooh, na, na, na)

Enrique and baby SerayahWide awake, wake, wake 'til 6AM

(Time to work)

Let me make, make you come again

(Ducha)

Keep it hush, hush, don't tell no one

(Undercover Mister Lover yeah)

Got enough, 'nough, 'nough to turn, you on Baby just keep it our little secret

What they don't know won't do them no harm

We can do mouth to mouth with no speaking

We can see eye to eye in the darkOh-oh-oh, don't you need somebody

Baby I wanna, I wanna know

To keep you up all night

Baby I'm at your, I'm at your door

Don't you need somebody

When I knock, when I knock open up

Your love and let me in

Oh, don't you need somebody

Baby I wanna, I wanna know

To keep you up all night

Baby I'm at your, I'm at your door

Don't you need somebody

When I knock, when I knock open up

Your love and let me in

Na, na, na, na

Ooh, na, na, na

(Talk to them Serayah) Waited long, long, long to get your call

(And don't you need somebody around there)

You're alone-lone you want me now

(I'm mister long night, stretch out the night)

I'mma run, run, run a red, red light

(I'm mister gonna love you up all night)

Then take it slow, slow, slow with you all night

(Talk to me)Baby just keep it our little secret

What they don't know won't do them no harm
We can do mouth to mouth with no speaking
We can see eye to eye in the darkOh-oh, don't you need somebody

Baby I wanna, I wanna know

To keep you up all night

Baby I'm at your, I'm at your door

Don't you need somebody

When I knock, when I knock open up

Your love and let me in

Oh, don't you need somebody

Baby I wanna, I wanna know

To keep you up all night

Baby I'm at your, I'm at your door

Don't you need somebody

When I knock, when I knock open up

Your love and let me inLet Mister lover, love you straight through the night

Girl me have to grip you so make me squeeze you tight

'Cause I promise if you let me go I'm gon' do you right

If you let me in I won't let you out my sight

You're sweeter than a honeycomb

Girl I wanna be the man to take you home

I will listen, tell me anything that you like

Hope you keep your body running 'til the daylightOh-oh-oh, don't you need somebody

Baby I wanna, I wanna know

To keep you up all night

Baby I'm at your, I'm at your door

Don't you need somebody

When I knock, when I knock open up

Your love and let me in
