

# Lover Why (Extended Play Version)

## Century

A sign of time - I lost my life  
forgot to die Like any man  
a frightened guy I'm keepin' memories inside a woollen glove.  
But I know I'm more than sad and more today I'm eating words too hard to say  
A single tear and I'm away  
away and gone. I need you - so far from hell  
so far from you 'Cause heaven's hard and black and grey  
You're just a someone gone away  
you never said goodbye.  
Why lover why? Why do flowers die? Why lover why?  
Why lover why? Why do flowers die? Why lover why? Ev'ry time I hear your voice  
you heard my name Your built the fire  
wet the flame I swim for life  
can't take the rain - no turning back. I need you - so far from hell  
so far from you
