## Outlandish

Advisory - the following lyrics contain explicit language:

This aint a love song  
This is a live song Woman, you my equal, my wife, we be tight like  
Two perfectly matching calligraphy lines We dont wanna build our house  
Of earth, water and stone  
But of wisdom, pure intentions, conversation  
Compassionate action, with purity of heart We might get somewhere, become light  
Fast and burn like a candle, right  
Intertwine, you give me peace of mind  
I cloak you and you cloak me Responsible, I feel with honesty  
Between us God has put affection and mercy  
Praised be He who created you  
'Cuz all I see in you is beautiful Woman, you my equal, my wife, we be tight like  
Two perfectly matching calligraphy lines  
What drew us together doesnt conform to the laws of nature  
It is written, there is only one opener for the lock of these things Amor mo, te adora como a la ms  
Bella estrella fugaz en el cielo  
Y cuando me siento slo, s que t me entiendes  
S que me comprendes Sueo apoyarme en tu sonrisa  
Toma mi mano y ven de prisa  
Siempre me imagino Viejo y arrugado  
Mis hijos ya crecidos mis nietos a mi lado Y la luz de luna a revelado  
Que tu palpitar es por mi, que siempre a sido asi  
He practicado que decir muchas veces  
Y cuando Dios lo quiera estaremos frente a frente Ser el momento de embrujarte  
Ojal que en tus ojos me retrates  
Que aceptes mi pasado, que mis locuras yo no pague  
Yo te prometeré mi vida, aunque la muerte nos separe Woman, you my equal, my wife, we be tight like  
Two perfectly matching calligraphy lines  
What drew us together doesnt conform to the laws of nature  
It is written, there is only one opener for the lock of these things Most definitely in our love are signs of  
knowledge  
Every dime I spend on you

Is worth more than what I spend on the poor  
See, patience is the best key to happinessContinuous, satisfaction  
Pearls wanna be like you  
Intertwine, you are my Sakeena  
You protect me and I protect youScientifically we be deeper than Al-kind  
Between us God has put affection and mercy  
This aint a love song  
This is a life songWe going six years strong with no sign of regret  
With each year we gain in force  
With ups and downs of course  
Yeah, my wife is my cousinAnd thank God, Faizan my son was born without complications  
Hina, my love to you is unconditional  
Not limited by typical Bollywood scenarios  
Or by statistics when problems occur we leaveCause I know it, you'll stay till I no longer will breathe  
Or if Im crippled, blinded or anything else  
I know I can rely on you, helping my every step  
Love is not just limited to butterflies and sexIts to recognize and respect each others intellects  
Lots of regrets, many things we shouldnt have said and done  
But thats just part of our journey and its just begun  
Define beauty cause one day looks will fadeBut a beautiful mind still be young at an old age  
And I know its hard me being away for so long  
But I respect you so much for being so strong  
I remember you being pregnant, going to schoolCooking food, taking care of my parents and the whole house  
All in one, something a man could never do, no doubt  
So I thank my mother for the day she brought us together  
And I pray for our reunion in the afterlife foreverWoman, you my equal, my wife, we be tight like  
Two perfectly matching calligraphy lines  
What drew us together doesnt conform to the laws of nature  
It is written, there is only one opener for the lock of these things
