

Summer Sunshine

M.z.K

Everyone's changing, I stay the same
Im a solo cello, outside a chorus
Ive got a secret, its time for me to tell it
Youve been keeping me warmJust sweet beginnings and bitter endings
In coffee city, we borrowed heaven
Dont give it back, Ive never felt so wanted
Are you taking me home? You tell me you have to goIn the heat of the summer sunshine
I miss you like nobody else
In the heat of summer sunshine
I kiss you and nobody needs to knowNow that youve left me, theres no returning
I keep comparing, youre always winning
I try to be strong but youll never be more wanted
Will you make me a home? Don't tell me you have to goIn the heat of the summer sunshine
I miss you like nobody else
In the heat of summer sunshine
I kiss you and nobody needs to knowJust sweet beginnings and bitter endings
In coffee city, we borrowed heaven
Dont give it back, winter is coming
And I need to stay warmIn the heat, in the heat of the summer sunshine
I miss you like nobody else
In the heat of summer sunshine
I kiss you and nobody knowsIn the heat of the summer sunshine
I miss you like nobody else
In the heat of summer sunshine
I kiss you and nobody needs to know
Summer sunshine, sunshine, sunshine
