Almost Persuaded

Tammy Wynette

Last night, all alone in a barroom
Met a man with a drink in his hand
He had baby blue eyes, coal black hair
And a smile that a girl understandsThen he came and sat down at my table
And as he placed his hand over mine
I found myself wanting to kiss him
For temptation was flowing like wineAnd I was almost persuaded
To strip myself of my pride
Almost persuaded
To push my conscience asideThen we danced and he whispered, "I need you"
Let me take you away and be your man
Then I looked into his eyes and I saw it
The reflection of my wedding bandAnd I was almost persuaded
To let strange lips lead me on
Almost persuaded
But your sweet love made me stop and go home
