Almost Persuaded

Tammy Wynette

Last night, all alone in a barroom Met a man with a drink in his hand He had baby blue eyes, coal black hair And a smile that a girl understands Then he came and sat down at my table And as he placed his hand over mine I found myself wanting to kiss him For temptation was flowing like wineAnd I was almost persuaded To strip myself of my pride Almost persuaded To push my conscience asideThen we danced and he whispered, "I need you" Let me take you away and be your man Then I looked into his eyes and I saw it The reflection of my wedding bandAnd I was almost persuaded To let strange lips lead me on Almost persuaded But your sweet love made me stop and go home
