

# What`s In It For Me

## Sardines

[Repeat: x2]

What's in it for me

I came here for a good time and you're telling me to leave  
But you don't have to say it again, I heard you the first time

[Repeat: x2]

We're counting on you

Well I like to remember it like that  
When we had one in the hand, that was one in the hand  
But you never come over any more

So you don't have to say it again, I heard you the first time
