

Rainbow

Colbie Caillat

I'm still feelin' the rain fall, bouncin' off my skin
How long do I have to wait for the sun to shine again?
Come on, paint me a rainbow so I can follow it
I don't know where it'll take me but I like wonderin'
Whoever you are, where will you be?
Are you the same old dreamer out there waiting only for me?
Waitin' for love, waitin' for the same old dreamer on the other side
Hopin' that no matter how far I'm gonna find my way to you
Followin' a rainbow
I'm gonna stop in the middle, hang my feet off the edge
I got no reason to worry I know I'll find the end
That's where you'll be waitin', I hope you don't forget
That I won't quit till I find you no matter the risk
Whoever you are, where will you be?
Are you the same old dreamer out there waiting only for me?
Waitin' for love, waitin' for the same old dreamer on the other side
Hopin' that no matter how far I'm gonna find my way to you
Followin' a rainbow
Stuck in my mind
I'm wastin' time still on my own
I never thought that I would find my way into the light
Dreamin' to find

Whoever you are, where will you be?
Are you the same old dreamer on the other side waiting for me?
Waitin' for love, waitin' for the same old dreamer on the other side
Hopin' that no matter how far I'm gonna find my way to you
Followin' a rainbow
I know I'm gonna find you, I know
I know I'm gonna find you
I know I'm gonna find you
I'm never gonna let you go
I know I'm gonna find you
I know I'm gonna find you
I won't let you go
I'm followin', I'm followin'
I'm followin' the rainbow
I'm followin', I'm followin'
I'm followin' the rainbow

I'm followin', I'm followin'
I'm followin' the rainbow
I'm followin', I'm followin'
I'm followin' the rainbow
I'm followin', I'm followin'
