

Your Daddy's Boots

[Dustin Lynch](#)

Advisory - the following lyrics contain explicit language:

Girl you look so pretty in your wedding day white
Dancing with another man but that's alright
The way he's spinning you around has stopped the whole room
I'm gonna have a hell of a time trying to fill your daddy's boots
He's got a heart of gold, right hand like a vice
Same man on Sunday morning as Saturday night
Barbed wire tough and cowboy cool
I'm gonna have a hell of a time trying to fill your daddy's boots
He was the first to hold your hand, the first to
dry your tears
We had a man to man and now I'm taking it from here
I made him a promise, girl I promise you
I'll always do the best that I can do
I'm gonna have a hell of a time trying to fill your daddy's boots
They say there's things about him that you see
in me
He's the kind of man I want to be
Got to give the man credit where credit is due
I'm gonna have a hell of a time trying to fill your daddy's boots
He was the first to hold your hand, the first to
dry your tears
We had a man to man and now I'm taking it from here
I made him a promise, and girl I promise you
I'll always do the best that I can do
I'm gonna have a hell of a time trying to fill your daddy's boots
Girl you look so pretty in your wedding day
white
Dancing with another man, oh but that's alright
The way he's spinning you around has stopped the whole room
I'm gonna have a hell of a time trying to fill your daddy's boots
I'm gonna have a hell of a time trying to fill your daddy's boots
