

# I'll Think About You

## Rivers Cuomo

I've been standing here for a long, long time  
Thinking 'bout the fight we had, oh  
Now maybe we're all through  
Or we've just begun  
But there's just one thing I need to say Everywhere I go,  
And everything I do,  
No matter who's I am  
I'll think about you It may have been a game  
It might have hurt a lot  
But no one put you in the ring, oh  
And so we kissed goodbye,  
You know I love you true  
You know I love playing with you, oh Everywhere I go,  
And everything I do,  
Ten years down the road  
Ten girls under my shoe  
No matter who's I am  
I'll think about you Everywhere I go,  
And everything I do,  
Ten years down the road  
Ten girls under my shoe  
No matter who's I am  
I'll think about you
